ENVIRONMENTAL AND SOCIAL
COMMITMENT PLAN (ESCP)**

19th February 2024

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Federal Government of Somalia (FGS) through the Federal Ministry of Finance is planning to implement the Somalia Recurrent Cost & Reform Financing Project - Phase 3 (the Project), with the involvement of the Federal Member States Ministries of Finance. The International Development Association (the Association) has agreed to provide financing for the Project. This Environmental and Social Commitment Plan (ESCP) supersedes previous versions of the ESCP for the Project and shall apply both to the original and the additional financing for Project referred to above.
2. The FGS shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this ESCP, in a manner acceptable to the Association. The ESCP is a part of the Financing Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreement(s).
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the FGS shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESSs, and in form and substance, and in a manner acceptable to the Association. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Association.
4. As agreed by the Association and the FGS, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the FGS through the Ministry of Finance of Somalia and the Association agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the FGS, Minister of Finance of Somalia. The FGS shall promptly disclose the updated ESCP.

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY
MONITORING AND REPORTING			
A	REGULAR REPORTING Prepare and submit to the Association regular monitoring reports on the environmental, social, health and safety (ESHS) performance of the Project, including but not limited to the implementation of the ESCP, status of preparation and implementation of E&S instruments required under the ESCP, stakeholder engagement activities, and functioning of the grievance mechanism(s).	Quarterly reports to the Association throughout Project implementation, commencing after the Effective Date. Submit each report to the Association no later than 15 days after the end of each reporting period.	Ministry of Finance Somalia
B	INCIDENTS AND ACCIDENTS Promptly notify the Association of any incident or accident related to the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers, including, inter alia, cases of sexual exploitation and abuse and sexual harassment (SEA/SH), and accidents that result in death, serious, or multiple injury. Provide sufficient detail regarding the scope, severity, and possible causes of the incident or accident, indicating immediate measures taken or that are planned to be taken to address it, and any information provided by any contractor and/or supervising firm, as appropriate. Subsequently, at the Association's request, prepare a report on the incident or accident and propose any measures to address it and prevent its recurrence.	Notify the Association no later than 48 hours after learning of the incident or accident. Provide subsequent report to the Association within a timeframe acceptable to the Association.
